

EMERGING LEADERS

MAKE AN IMPACT!

ELS allows its members to most effectively give back with their time, talent and resources to make a real impact. At exclusive mixers, you will **CONNECT** with other professionals who share a common goal: to make a difference. Membership creates opportunities to **SERVE** our community through volunteer projects and program tours. By becoming a member, you will **LEAD** the way for others to be inspired by the work United Way of Palm Beach County does in our community.
