United Way’s WOMEN UNITED was created as a way to engage, empower and educate local women interested in strengthening their community through fundraising; volunteering; networking; and learning opportunities.

LEAD THE WAY!

This is a group of accomplished women dedicated to helping United Way of Palm Beach County improve the lives of our community’s neediest residents.

Your $1,000 commitment, whether through your workplace campaign, a monthly or a one-time gift, will secure your membership.

WOMEN UNITED’s mission is to build and foster a powerful, passionate network of women who create impactful change in our community through the focused investment of their time, talent and resources.
