### GEORGE'S story...

*Two years ago, George was let go from his job and has struggled to find steady work since. Thanks to odd jobs and friends who let him sleep on their couches, he was able to keep a roof over his head most nights. Some months, it was difficult for him to juggle his limited income and he was forced to choose between paying for food, medication, or rent. CROS Ministries' Caring Kitchen program was a life-saver for George. He knew he could always get a hot meal through the Caring Kitchen. Through funding from United Way, the Caring Kitchen helps hard working people like George have access to nutritious food.*
