

MENTOR CENTER

United Way's Mentor Center is an affiliate of The National Mentoring Partnership and works with a network of providers. Volunteers are offered community based, school based and site based mentoring opportunities with children between the ages of 5 to 21.

Healthy Mothers Healthy Babies Teen Mom Mentor Program connects professional working moms with teen moms to empower them to stay in school and plan their future.

It takes one person to make a difference in a child's life. Be that person.

Just one hour a week can help a child become:

- 52% less likely to skip a day of school
- 37% less likely to skip a class
- 46% less likely to start using drugs
- 27% less likely to start drinking
- 33% less likely to hit someone

(Statistics provided by Big Brothers Big Sisters)

MENTOR CENTER

Ways to Mentor

Site-based Mentors go to a local nonprofit, normally during after-school hours, to spend time with a child. Typically, they will help students with homework, reading, create arts and crafts, play sports together, or just hang out and talk.

Community-based The mentor will most likely pick the mentee up from their home, however, they can meet anywhere. Mentor and mentees have the flexibility to do different activities or attend fun events in the community.

School-based The mentor will go to the mentee's school and help with homework, schoolwork, reading, play board games, or just talk.

If you're interested becoming a mentor, sponsoring a child or in learning more, please contact:
