

## GRADUATE & THRIVE 2021-22 PROGRAMS

United Way  
of Palm Beach County

### **Academic Fellowship Program Path to College**

(561) 907-7679 | [pathtocollege.org](http://pathtocollege.org)

Helps low-income, high-achieving students solidify acceptance to a top-tier college by providing SAT prep, college and career readiness workshops, mentoring, and opportunities for community service and leadership.

### **Academy for Independent Living Transition (SAIL Charter School)**

**The Arc of Palm Beach County**

(561) 842-3213 | [arcpsc.org](http://arcpsc.org)

Offers educational and vocational services to an underserved population of students with developmental disabilities, aiming to help them graduate and secure employment with local businesses.

### **Caregiving Youth Project American Association of Caregiving Youth (AACY)**

(561) 391-7401 | [aacy.org](http://aacy.org)

Addresses the challenges faced by children who provide care for ill, injured, elderly, or disabled family members. Provides needs-driven and wraparound services to help youth succeed in school and improve their well-being.

### **Charting a Course in the Marine Industry Florida Fishing Academy**

(561) 740-7227 | [floridafishingacademy.com](http://floridafishingacademy.com)

Low-income high school students learn basic fishing skills, water safety, problem-solving, and relationship building strategies. The program provides career development instruction in commercial chartering, rod building, underwater filming, and boat repair, with an emphasis on job readiness skills.

### **Charting for Success Communities In Schools of Palm Beach County**

(561) 471-9681 | [cispbc.org](http://cispbc.org)

Supports at-risk students in Palm Beach County public schools by ensuring their access to educational opportunities and other services. The program helps young people graduate and reach their potential.

### **College Prep Program Lake Worth West Resident Planning Group**

(561) 649-9600 | [lakeworthwest.org](http://lakeworthwest.org)

Supports low-income middle and high school youth from immigrant families, encouraging literacy skills development, providing homework assistance, helping plan for college or job training, offering computer instruction, and using field trips to explore career pathways.

### **College Readiness Program Bound for College**

(561) 819-9907 | [weareboundforcollege.org](http://weareboundforcollege.org)

Provides low-income high school students with free ACT and SAT tutoring, and offers summer enrichment workshops that provide the guidance and support students need to prepare for college, apply to the best-fit schools, obtain financial aid, enroll, and persist in their studies, and ultimately graduate.

### **Junior Teen Leadership Milagro Center**

(561) 279-2970 | [milagrocenter.org](http://milagrocenter.org)

Out-of-school program providing cultural arts, academic enrichment courses, tutoring, and mentor matches for economically disadvantaged middle school students.

### **LifeSkills Development and Education HomeSafe**

(561) 383-9800 | [helphomesafe.org](http://helphomesafe.org)

For youth who are aging out of foster care, the program provides training related to academic/educational goal-setting, employment/career development, relationship-building strategies, money management, and daily living skills.

### **Literacy AmeriCorps Literacy Coalition of Palm Beach County**

(561) 279-9103 | [literacypbc.org](http://literacypbc.org)

Uses a graduation coach model to provide academic assistance for youth at risk of not graduating. Coaches help ensure that students complete graduation requirements and are prepared for post-secondary education.

### **National Urban League Incentive to Excel and Succeed (NULITES) Urban League of Palm Beach County**

(561) 833-1461 | [ulpbc.org](http://ulpbc.org)

Students ages 10 to 18 develop life skills and complete intensive college readiness programming. United Way supports a STEM (Science, Technology, Engineering, Mathematics) component, with students developing an app and website, and learning coding and web development.

### **Student/Mentor Support Services Take Stock in Children**

(561) 683-1704 | [takestockpalmbeach.org](http://takestockpalmbeach.org)

Promotes self-worth, personal responsibility, and academic success for at-risk students. The program provides mentors, increases college readiness, offers college retention support, and a guaranteed full-tuition college scholarship.

### **Teen Leadership Program Milagro Center**

(561) 279-2970 | [milagrocenter.org](http://milagrocenter.org)

Provides cultural arts, academic tutoring, and ACT/SAT preparation courses to economically challenged, academically at-risk high school students who are in danger of dropping out before they graduate from high school.

### **Teen Learning Center For the Children**

(561) 493-1190 | [forthechildrenfirst.org](http://forthechildrenfirst.org)

Provides early intervention to help at-risk youth (particularly English Language Learners) succeed in school, at home, and in the community. Activities help youth overcome risky behaviors such as adolescent delinquency, violence, addiction, teen pregnancy, and dropping out of school.

### **Teen Mentoring – Job Readiness Achievement Centers for Children and Families**

(561) 276-0520 | [delraychild.org](http://delraychild.org)

Serves low-income, minority middle and high school youth to increase reading proficiency and graduation rates. This program includes tutoring, homework assistance, career path clubs, and support for graduation leading to college, vocational training, or employment.

### **The Leadership Academy Urban Youth Impact**

(561) 832-9220 | [urbanyouthimpact.com](http://urbanyouthimpact.com)

This highly structured after-school program for at-risk middle school students offers tutoring in the areas of reading and literacy, as well as arts exposure, life skills training, leadership development, and employment training.

### **Youth Serve Learn and Earn: Job Readiness Boys and Girls Clubs of Palm Beach County**

(561) 683-3287 | [bgcpbc.org](http://bgcpbc.org)

Provides at-risk, low-income teens with opportunities to learn and practice job readiness and life skills within formal settings.
